

## SC-DP-I 型提拉镀膜机

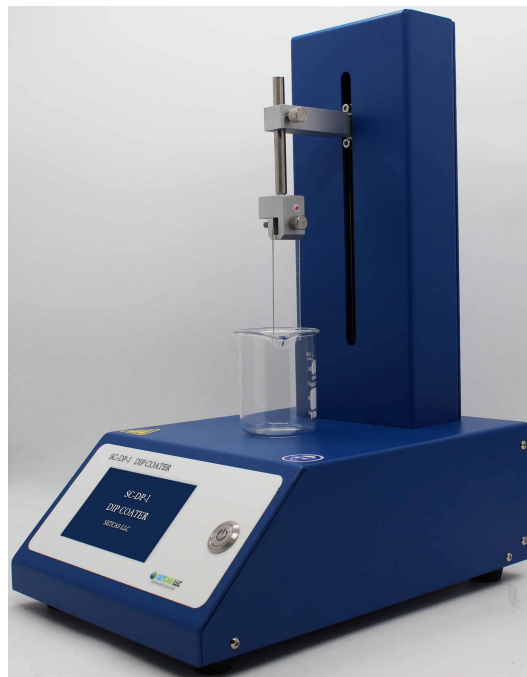

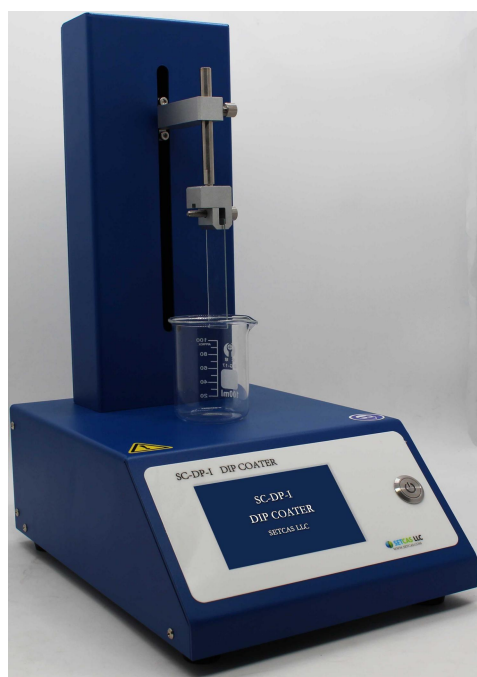

名称: 提拉镀膜机;

品牌: 北京赛德凯斯;

厂家: 北京赛德凯斯电子有限责任公司;

型号: SC-DP-I

公司网址: [http://setcas.com/?page\\_id=4772](http://setcas.com/?page_id=4772)

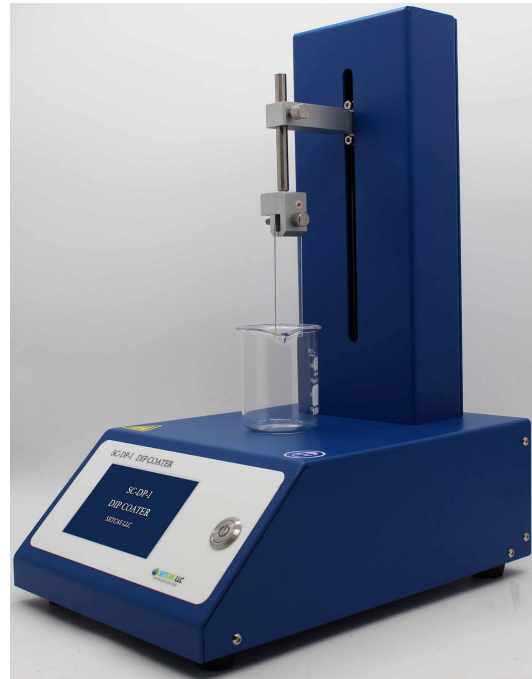

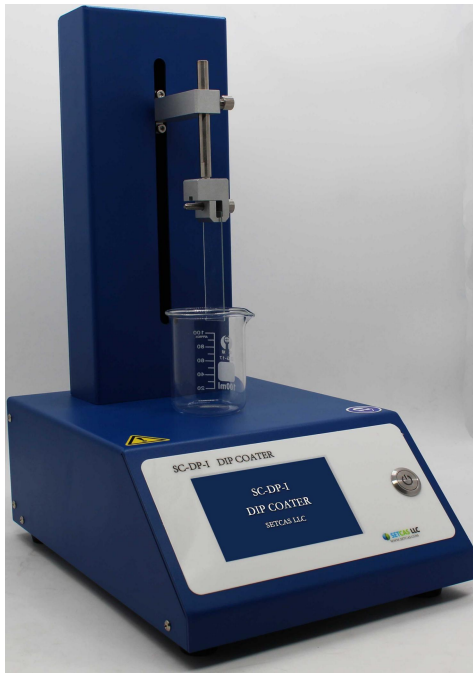

### SC-DP-I 型桌面型提拉镀膜机

| 主要参数     | 指标              |
|----------|-----------------|
| 进样行程     | 150mm           |
| 提拉速度范围   | 1um/s-20000um/s |
| 提拉分辨率    | 1um/s           |
| 浸渍时间     | 0-9999S         |
| 镀膜次数     | 1-9999 次        |
| 每次镀膜间隔时间 | 0-9999S         |
| 额定线性推力   | 20N             |
| 控制精度     | ≤0.5%           |

# SC-DP-I Table type of Dip Coater

SC-DP-I Table type of Dip Coater

| Main Parameter                          | Index           |
|---|-----------------|
| The operation process of lofting sample | 150mm           |
| Speed range                             | 1um/s-20000um/s |
| Resolution                              | 1um/s           |
| Immersion time                          | 0-9999S         |
| Coating times                           | 1-9999 times    |
| Time between each coating               | 0-9999S         |
| Rated linear thrust                     | 20N             |
| Control precision                       | ≤0.5%           |
